Camp Granite Lake Packing List

When packing for Camp Granite Lake, please keep in mind that we are high in the mountains of Colorado. For equipment and clothing you do not have, please do not run out and buy fancy things that may never get used again. For some of the equipment we also can provide loaners for the time your child is at camp. Please label **everything** with a permanent marker or label.

We provide each camper with:

- Water bottles (one camp Nalgene)
- Sunscreen
- Amazing staff
- A beautiful setting, great food
- Long-lasting camp memories, friendships, and more!

Equipment to Pack:

- Sleeping Bag** - For camping out. Please consider a mummy-style bag. It doesn't have to be fancy. (We provide all bedding: sheets, blankets, and pillows, as well as sleeping bags for backpacking trips)
- Rain Gear** - a rain jacket and pants or a heavy-duty poncho (not the single-use kind)
- Day Pack** - a school book bag is fine for this, just make sure it's comfortable and in shape for camp
- Flashlight or headlamp with batteries**- We have some of these to borrow as well.
- Sunglasses**
- Baseball Cap or Sun Hat**
- Toilet Articles** - Toothbrush, toothpaste, comb, brush, deodorant, shampoo, soap, etc.
- Lip Balm** - to protect from dry air and sun.

Shoes / Footwear:

At Sleep Away Camp, we'll mostly wear closed-toed shoes.

- Sturdy Tennis/Running Shoes** - for everyday wear and light hiking.
- Hiking Boots** - Probably the item we get the most questions about. Not required as most of our hiking is lighter in nature. However, if your camper thinks they may want to do a backpacking trip, its a good idea to send over-the-ankle boots.
- Tevas / Chacos / Keens or similar rubber sandals or old sneaker** - with at least strap to secure the sandal to feet. Great for heading to the lake and while kayaking or sailing. Shoes that cover toes are best.

Laundry:

We will do laundry on the weekend for two-week campers. Send only washable clothing that can be done in large commercial washers and dryers.

- 1 - Laundry Bag (for two-week campers)

CLOTHING

Camp is a great place for older, durable clothing you may already have:

Tops:

- 4-5 - T-Shirts
- 2 - Long-sleeve shirts - button or pullover.
- 1- Sweatshirt - hooded or crewneck
- 1 - Heavy Wool Sweater or Polar Fleece Jacket
- 1- Durable Windbreaker Jacket

Bottoms:

- 3 Pairs - Shorts - suitable for hiking
- 2 Pairs - Blue Jeans
- 1 Pair - Sweat Pants

Underwear & Socks:

- 6-7 Pairs - Underwear
- 4-5 Pairs - Socks, mix of cotton and wool

Other:

- 1 - Swim suits - appropriate for co-ed activities
- 1 Pair -Winter Weight pajamas
- 1 - Wool or Fleece Hat
- 1 Pair - Gloves or Mittens
- 1 Towel (we have extras for campers when needed)
- 1 Set of 'nicer' clothing for Friday night dinner and campfire (nothing too fancy!)

ADDITIONAL OPTIONAL ITEMS

- Stationery - with pre-addressed, stamped envelopes and ink pen or pencils, address lists (we'll make sure campers write at least once a week).
- Journal and a book or two for reading. No Kindles, please. Plain old paper books.
- Favorite Stuffed animal (if they really want) or photos from home.

THINGS TO BE LEFT AT HOME

We know it's hard to disconnect some children from their electronics, especially **iPads** and **cell phones**. But for their time at camp, we ask that **ALL electronics be left at home, including Kindles**. If your camper comes to camp with electronics we will store it for them until they are picked up.

Additionally, please leave expensive watches, make-up, swiss army / hunting knives, unique / special shirts or clothing, fireworks, and anything else that just doesn't feel like 'camp' at home.

If you have questions about an item, **please call**.

Please remember to label everything with a permanent marker or label.
